

Meet Author Jennifer Gladen

Schedule an Author Visit

With each visit, whether virtual or in person, Jennifer Gladen will bring her characters to life with a reading from her novel by showing how the theme of digital distraction can play a roll in their lives.

Available as an Assembly or Individual Classroom Visit

Topics include:

Digital Distraction

- * Hear how the story that inspired Souled came right from the author's family.
- * As a former Tech Teacher, Jennifer Gladen brings resources and tips on digital safety including managing screen time.

Writing Workshop

- * Get an inside look at how the author created her book from start to finish
- * See the publishing process up close.
- * Get a peek into the illustration of the characters

Now Available as Virtual Visits!
